

## FOOD ALLERGY INFORMATION FORM

By completing this form you consent to PW Catering keeping your details on record for future reference.

We do ask that if you are attending a function for which we are catering, you let the Lodge Secretary/Organiser know so that he can advise us of your name and allergy. We are happy to discuss alternative meals with you prior to the function and may contact you in order to do this.

As a final safeguard, we ask that when you arrive at the venue, you check with our Chef prior to service, to ensure we have been notified of your requirements.
